Faculty of Information Technology

Assignment 2 (17%)

AI & Generative AI tools may be used in GUIDED ways within this assessment / task as per the guidelines provided.

In this task, AI can be used as specified for one or more parts of the assessment task as per the instructions.
In this assessment, you can use generative artificial intelligence (AI) to generate any materials or content in relation to the assessment task.

Where used, AI must be used responsibly, clearly documented and appropriately acknowledged (see Learn HQ).

Any work submitted for a mark must:

1. represent a sincere demonstration of your human efforts, skills and subject knowledge that you will be accountable for.
2. adhere to the guidelines for AI use set for the assessment task.
3. reflect the University's commitment to academic integrity and ethical behaviour.

Inappropriate AI use and/or AI use without acknowledgement will be considered a breach of academic integrity.

Due: Friday, 17 April 2026, 11:55 PM

Assignment 2

Please carefully review all the requirements below to ensure you have a good understanding of what is required for your assessment.

1. 1. Due date
   2. Instructions & Brief
   3. Assessment resources
   4. Assessment criteria
   5. How to submit

1. Due date

Fri, 17th Apr 2026 23:55 pm (Melbourne time zone).

2. Instructions & Brief

PDF below.

3. Assessment Resources

NA

4. Assessment criteria

The following outlines the criteria which you will be assessed against.

- Ability to understand key concepts about search algorithms.
- The quality of your report: it should show your understanding of the topics covered by answering correctly the assessment questions.

5. How to submit

Submission must be made by the due date via Moodle (in PDF format), otherwise penalties will be enforced. Handwritten assignments will not be accepted.

You must apply for any extensions formally via the in-semester special consideration process: http://www.monash.edu.au/exams/special-consideration.html If a documented application for special consideration (see, e.g., https://www.monash.edu/exams /changes/special-consideration) for extraordinary circumstances (including documented illness) is completed and submitted in a timely manner within the deadlines specified by university policy, then an extension might be granted. Otherwise, point penalties are applied at a rate of 5% of the total mark per calendar day of late submissions (that is, 10 marks per calendar day of late submission), up to 7 days, in which case the mark would be 0.

You should submit a file named "FIT5047-StudentId-2025S2-Ass2.pdf" to the relevant place on Moodle. Please, note that StudentID refers to your Student ID number. Then, as an example, if your StudentID is 12345678, then you should submit a PDF file with name FIT5047-12345678-2025S2-Ass2.pdf

Generative AI tools cannot be used in this assessment task
In this assessment, you can use generative artificial intelligence (AI) to generate any materials or content in relation to the assessment task.
